Correction

In the *Federal Register* of May 12, 2021, in FR Doc 2021-09965, on page 26002, in the second column, correct the “Suspension of Liquidation” section to add the following second and third paragraphs which had been omitted:

Section 733(e)(2) of the Tariff Act of 1930, as amended (the Act), provides that, given an affirmative determination of critical circumstances, the suspension of liquidation shall apply to unliquidated entries of subject merchandise entered, or withdrawn from warehouse, for

consumption on or after the later of: (a) the date which is 90 days before the date on which the suspension of liquidation was first ordered; or (b) the date on which notice of initiation of the investigation was published. As noted above, Commerce preliminarily finds that critical circumstances exist for imports of subject merchandise produced and exported by Koehler. In accordance with section 733(e)(2)(A) of the Act, the suspension of liquidation shall apply to unliquidated entries of shipments of thermal paper from Germany that were produced and/or exported by Koehler that are entered, or withdrawn from warehouse, for consumption on or after February 11, 2021, which is 90 days before the publication date of the *Preliminary Determination* in the Federal Register.
